Message From Chairman

Mr. Mankaran Bhandari (Chairman)
Ambika Group of Companies

Conceived in 1977, By Shri M.K Bhandari, **ambika** is one of the leading Hand Tools manufacturers in India.

Built on the platform of highest quality standards **ambika** Hand Tools offers wide range of products which includes, Complete range of spanners, pliers, wrenches, sockets, socket sets & accessories, lubrication equipments, screw drivers, tool trolleys, measuring tapes, non-sparking tools.

Beginning from a 100% export oriented unit. **ambika** ventured into indian market in 2002 & made its presence in a very short period of time. Moving ahead Mr. Mankaran Bhandari took over one of the most famous brand name **EVEREST** owned by Hindustan Everest Tools Pvt. Ltd. which started their operations in India in collaboration with “DOWIDAT TOOLS-GERMANY” & launched the brand **EVEREST** in 1963 under the company name “HINDUSTAN DOWIDAT TOOLS LIMITED”.

EVEREST is an ISO 9001:2015 & ISO 14001:2015 Certified Co. With state of art manufacturing facility and latest machinery & world class R&D department, we commit to produce world class tools with lifetime warranty for our worthy customers.

Our strength is well equipped, trained and skilled manpower which has ensured the development of multi-products with highest standard of quality. We have established operational TQM at all levels of purchase, production and offices.

We don't just sell tools, we make lifetime relationships with our customers and we will keep on doing so & we constantly strive to be the best at what ever we do.

OBSESSED WITH QUALITY!

Yes, We are famous for it. Quality has been the guiding principle behind **EVEREST**. We have built a reputation on making quality the most important ingredient in all we do and our dedication to quality has earned us management standards.

Our **Vision**

Our **Pledge**

Our company objective is to become a leading manufacturer and irreplaceable partner for **HAND TOOLS** in Indian Market and ultimately establish our name globally.

Our **Mission**

Our **Ambition**

- ▶ We continually make efforts on Identifying the current market trends and strive to meet present and future marketplace requirements.
- ▶ We work closely with our customers to determine their needs and how we can best meet them.
- ▶ We at EVEREST TOOLS take pride in quality of our products. Quality is the driving force and key to achieve our ambition.
- ▶ Create awareness amongst the workforce as well as community regarding safety at workplace.
- ▶ Strive to provide best quality, cost effective products and services.
- ▶ Provide training and consulting services to create a well-informed and trained workforce in order to enable us to establish a culture of health and safety around us.

Core **Values**

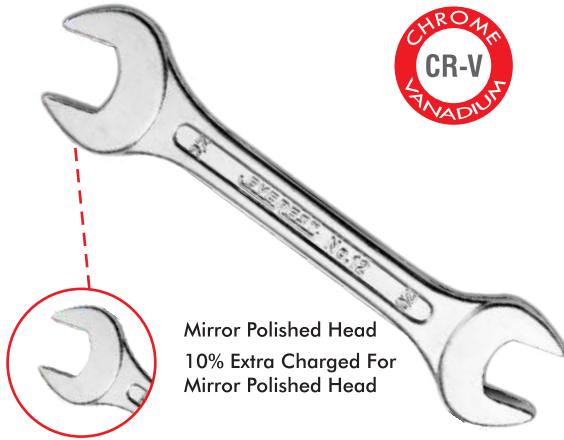

- ▶ Culture influences the way we feel, act, think and make our decisions.
- ▶ We are committed to conducting all of our business with the highest degree of integrity and Honesty between our employees, customers and the society.
- ▶ We engage in constant research and development to make our products safer, user-friendly and more comfortable for the end users.
- ▶ Our people are capable, loyal and dedicated to the success of the business and safety of our community.

1. (A) DOUBLE OPEN END SPANNER

HSN 8204

Product Code **12**

Finish : CP (Chrome Plated) ■ Forged, Chrome Vanadium Steel
Extra Long Length for Extra Leverage ■ Each Head set at 15° Angle

1.(C) DOUBLE OPEN END SPANNER (RIBBED) HSN 8204

DIN 895

- German Type Engineer's Spanner With a raised collar around the open end.
- Forged, Chrome Vanadium Steel
- Each Head set at 15° Angle
- Product is based on IS 2028-2004
